ABOUT ME

Motivated Computer Science student with strong interest in software development, web technologies, and information systems. Skilled in Java and Python with experience in building desktop and web-based applications. Passionate about learning new technologies and solving real-world problems through code.

EDUCATION

Diploma in Information Systems (Bachler Program) | Parwan University | 2022-2026

Desktop App Development | ITTT | OCT–2025 to DES-2025

ICDL | Parwan University (Part-time)| 2025/11/17

Network + | Parwan University (Part-time) | 2023/11/10

CCNA | Parwan University (Part-time)| 2024/9/18

WORK EXPERIENCE

Java Instructor (Part-time / Internship) - Parwan University | August 2025 – November 2025

Responsibilities & Achievements:

Taught Java programming fundamentals to undergraduate students.

Covered topics including OOP (classes, inheritance, encapsulation), data structures, and file handling.

Designed practical coding exercises and mini-projects to strengthen student skills. Guided students in debugging and implementing algorithms effectively.

Received positive feedback for clear explanations and hands-on teaching approach.

LANGUAGE

Language	Reading	Writing	Speaking
Dari	Fluent	Fluent	Fluent
Pashto	Fluent	Fluent	Fluent
English	Fluent	Fluent	Fluent

SKILLS

- Networking: CompTIA Network+ and CCNA basics.
- Programming: Java, Python.
- Web Development: HTML, CSS, Javascript, Bootstrap, PHP, Laravel .
- Algorithm and Data Structure: Sorting , Searching, Graph, Trees .
- OOP: Classes, Inheritance, Encapsulation, Polymorphism, Abstraction .
- Database: MySQL and data management.
- Version Control: Git Github
- Problem solving and Logical thinking: Applied in coding projects and algorithm.
